

# **NYMTC ITS Integration Strategy**

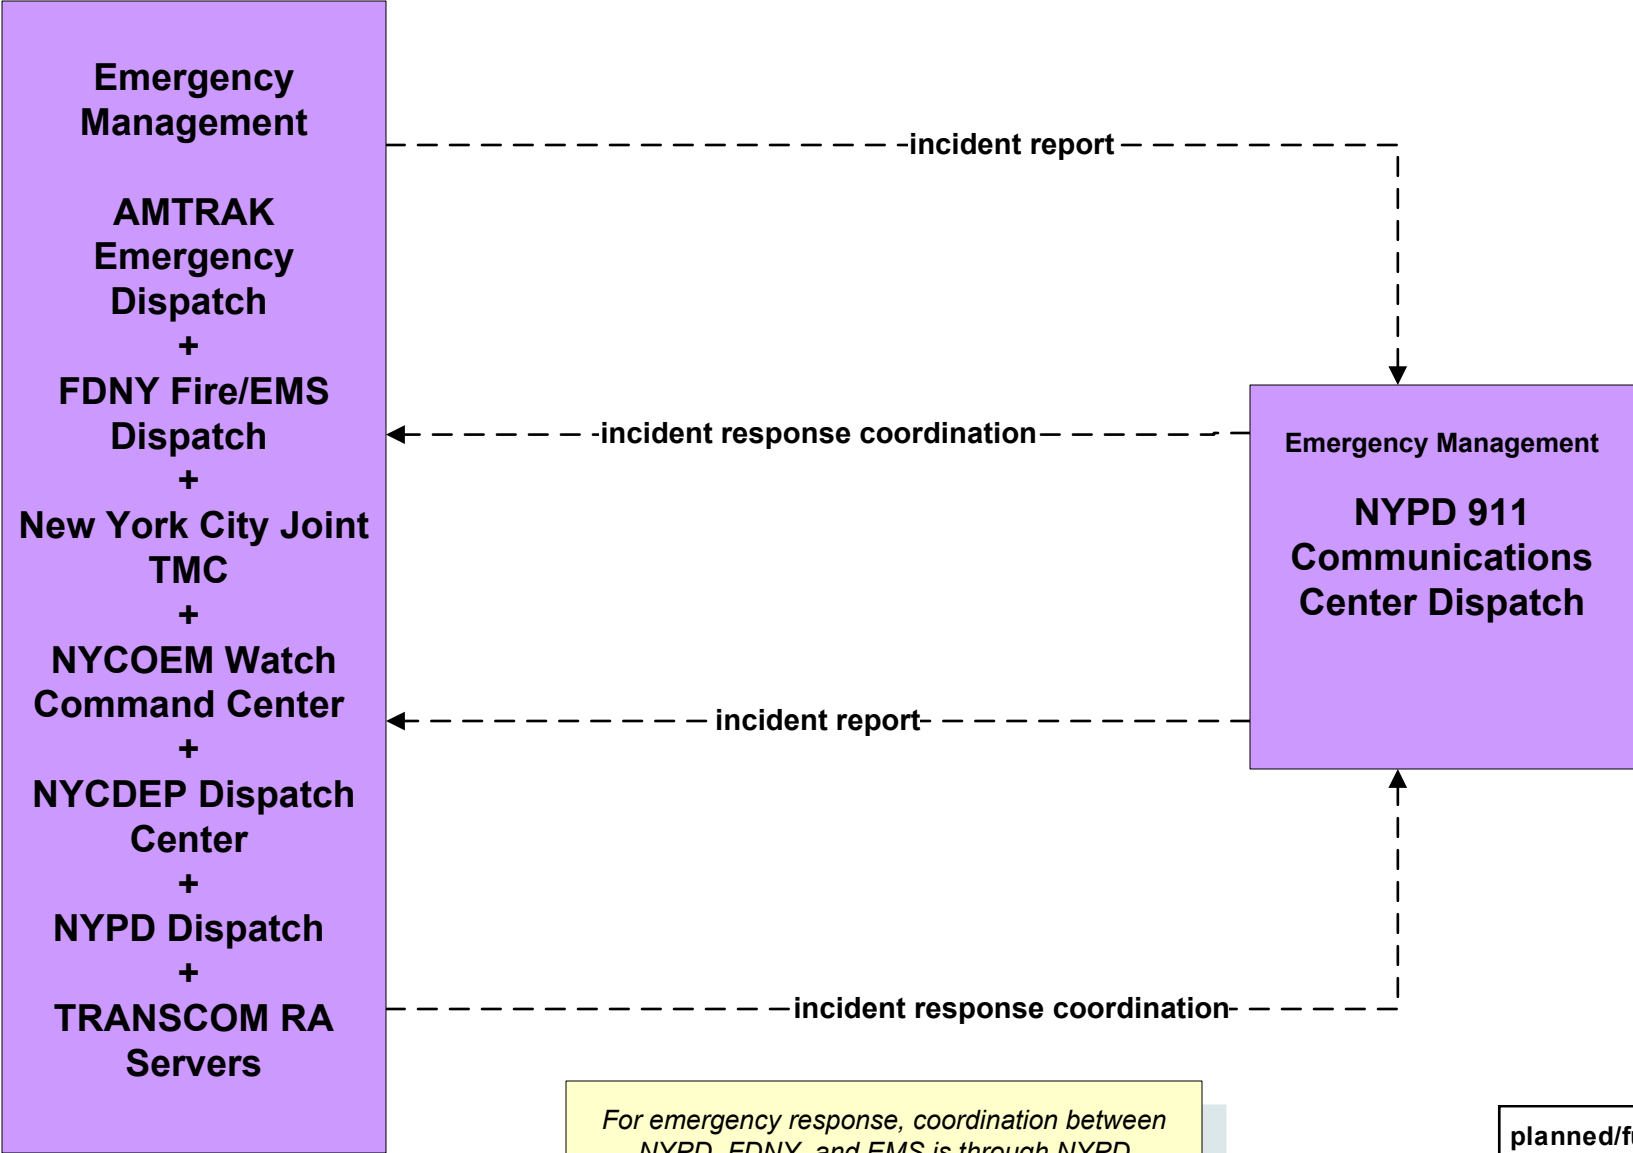

## **Customized Market Package Diagrams**

### **Emergency Management (EM)**

**EM1 - Emergency Response Coordination  
TRANSCOM OIC**

**EM1 - Emergency Response Coordination  
New York City 911 Dispatch**

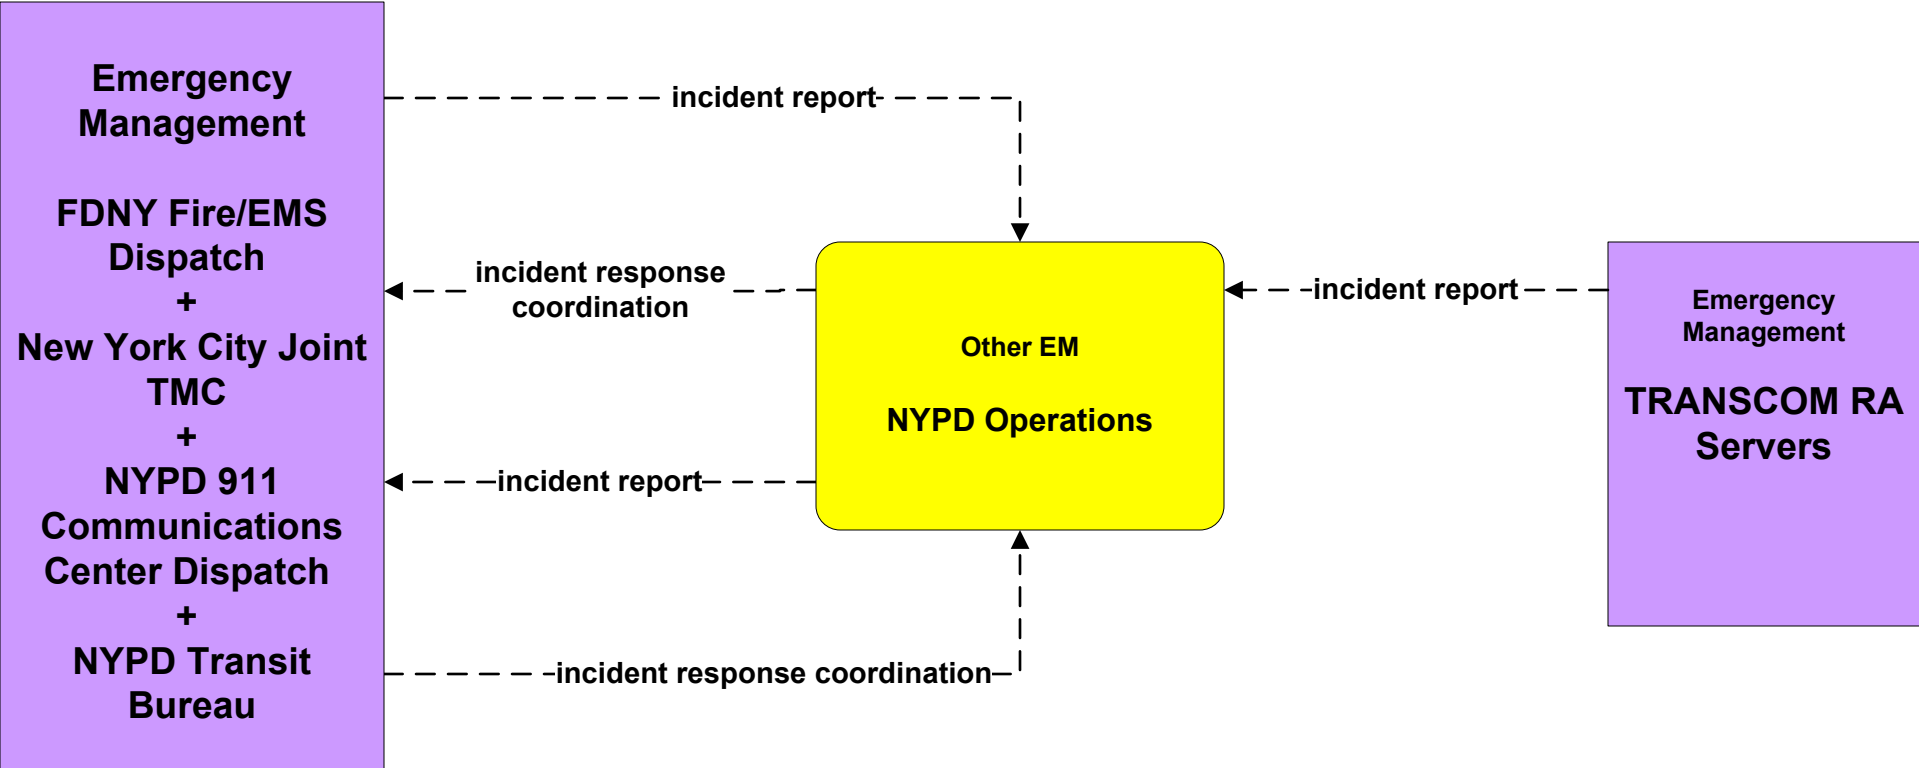

Future may include automated connections to 911 from Operations Centers.

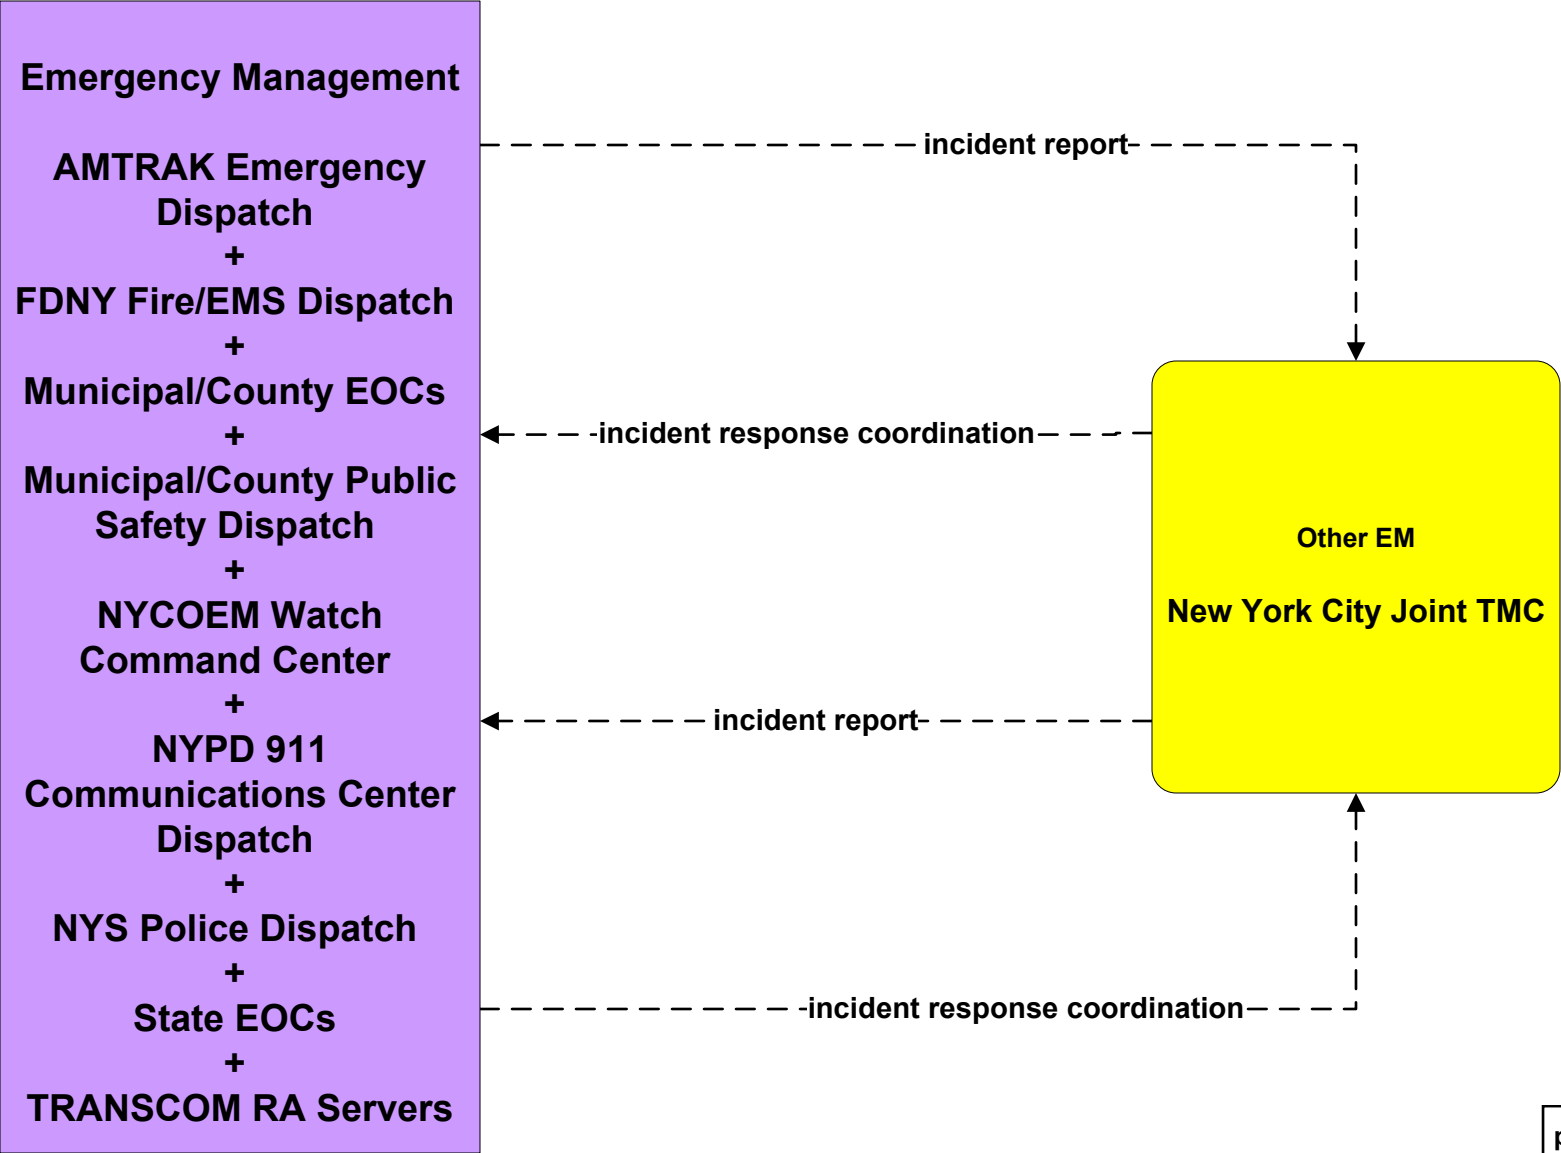

For emergency response, coordination between NYPD, FDNY, and EMS is through NYPD MetroTech 911 (Stakeholder is NYPD)
